CAFM-ACPL | 2026

In the winter of 2023, a small group of forensic pathologists founded the Canadian Association of Forensic Medicine, an organization that will act in the public interest by dedicating itself to the advancement of forensic pathology and the elevation of medicolegal death investigation practice in Canada. Canada has never had an organization with this mission.

Mission Statement:

Dedicated to fostering excellence in forensic science by providing leadership, education, and collaboration among professionals.

Vision Statement:

Our vision is to be Canada's premier multidisciplinary organization, shaping the evolution of forensic pathology, and promoting the highest standards of science, ethics, and education in the field.

Guiding Principles:

Canadian Association of Forensic Medicine (CAFM) is a multidisciplinary, professional membership organization that provides:

- Leadership to advance science and its application to the legal system.
- Education to elevate the accuracy, precision, and specificity in the forensic sciences.
- Advance the study and practice of forensic pathology through academic meetings, collaborative research and other activities.
- Act as an advisory and negotiating body as required.

Join the Canadian Association of Forensic Medicine for its 2026 Annual Scientific Meeting, bringing together leading experts to explore advancements in forensic pathology, including deaths in custody and molecular developments.

Conference Objectives: Deaths in Custody, Molecular & Beyond

- Describe how new & emerging technologies can be applied to Forensic Medicine.
- Discuss the complexities of deaths in custody.
- Review the current knowledge of traumatic axonal injury.

Overview:

Day 1: November 16, 2026 - Full Day | **Updates on Critical Areas**

Day 2: November 17, 2026 - Half Day | **Complexities of Death in Custody**

Sponsorship Opportunities:

Browse through our sponsorship packages on the following page and find the perfect fit for your organization, providing a range of options to meet your marketing and business objectives. Whether your goal is to introduce a new product, expand your industry reach, or enhance your brand's visibility – we will work with you to develop a customized solution.

For those who have supported our event in the past, we appreciate your continued partnership. For new sponsors, we look forward to welcoming you and building a lasting collaboration.

YOUR SPONSORSHIP

The Canadian Association
of Forensic Medicine
—
Association canadienne
de médecine légale

We have created a variety of sponsorship options to fit the range of marketing objectives and level of investment of our corporate supporters. The educational program will encourage these delegates to share knowledge and experience as they research the new innovations within their fields. These professionals want to make the most informed decision possible. Your company should be there to ensure our attendees have all the facts they require for decision making.

Take advantage of this opportunity to strengthen existing relationships and establish new ones!

Enhance Your Reach!

Co-Develop a Session \$10,000

Activities are co-developed with CAFM and planned to achieve scientific integrity, objectivity and balance. Communication plan prepared by CAFM with input from the non-physician organization. Speaker honoraria included in cost of activity.

- List of participants is provided
- Logo on program, graphics and certificate of participation
- Needs assessments are provided at the close of each activity
- MOC Section 1 or 3 Accredited Activity

Either co-develop a session that exists currently in the program or propose a new session in one of the available time slots.

Delegate Bag Insert \$1,000

Add a promotional insert into the delegate bag to invite delegates to your booth or to promote a product.

Delegate Bag \$4,000

The swag doesn't have to be tangible and digital offers can be an enticing and environmentally friendly option if crammed with codes, vouchers or online offerings which introduces attendees to the sponsor's brand.

Notepad \$2,500

Add your logo to the notepad to ensure that delegates know you are in the exhibit hall! They always need to take notes!

Trainee Sponsorship \$500

Sponsor a trainee or student to attend! Several members are looking for financial support, and we are counting on the generosity of our partners to get them here!
